- Would you recommend DJ-K Productions in the future?  Yes  No

May we have your thoughts regarding our service and your DJ-K experience?

Thank you so much for being our DJs at my Bat Mitzvah party. The plan was perfect and the party flowed so nicely. The night was so special and fun and we got many compliments from the guests. Without you the party wouldn't have been as awesome as it was! Thanks again!

Best,  
Hayley
